

Publishing with University Presses Webinar Series

10/09/25

1PM- 2:30 PM ET

Turning Your Dissertation into a Book

In this session, university press editors offer advice and answer questions about how to transform a dissertation into a book, including tips for finding a publisher and writing an effective book proposal.

11/13/25

1PM- 2:30 PM ET

Publishing with a University Press

Four publishing professionals from academic presses will answer questions like: Why publish with a university press? How to choose a university press? And what to expect when publishing with a university press?

02/17/26

1PM- 2PM ET

Making Your Book Public

Promoting your book starts before you've even finished writing. In this workshop, publishing insiders talk about the practical things scholarly authors can do to ensure the greatest impact for their ideas and how their publisher can help.

04/09/26

1PM- 2PM ET

How to Publish in Academic Journals

In this workshop, academic journal editors and publishers discuss the process of publishing in an academic journal. Questions will include: What's the typical timeline from submission to publication? How to write an effective abstract? How to navigate peer review and take critical feedback in stride?
