

REDEFINING GEEK

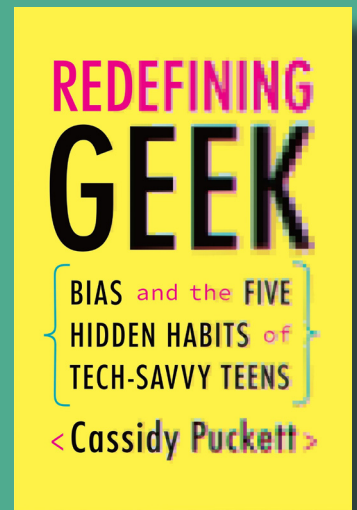

Join Cassidy Puckett and Freedom Blume Oeur for a discussion about Cassidy's new book *Redefining Geek: Bias and the Five Hidden Habits of Tech-Savvy Teens*. Cassidy will share her findings on the habits that define technological competence and how these habits vary by race, class, and gender, as well as share stories of tech-savvy teens who defy common stereotypes. Additionally, Cassidy will provide concrete recommendations to ensure young people are supported, recognized, and rewarded for their technological talents.

OCTOBER 19, 2022
1 PM - 2:30 PM ET

Workshop is free to the general public and will be held virtually on Zoom.

All attendees will receive a 30% discount on the book.
